RE: Billed Entity Number: 131682
Application Number: 136699
Funding Request Number: 205342
Our Appeal Letter of: July 16, 1999
Admin Decision on Appeal: March 23, 2000

In the matter of: Request for Review by Johannesburg-Lewiston School District
of Decision of Universal Services Administrator.

Reference FCC Docket Nos. 97-21 and 96-45 ✓

I am writing to appeal the denial made by the SLD administrator to our funding request listed above.

The appeal process, which took over 9 months, and the denial which came shortly before the close to the refiling window, has left us no alternative but to appeal this decision to the full Commission.

The total funding request is not large, but is substantial to the Johannesburg-Lewiston School District. No effort was made by the SLD administrator to contact us to clarify or understand the situation during the 9 months of appeal.

In my letter of July 16th, 1999, I stated we acknowledged a clerical problem on the the 471 #136699, which referenced the wrong 470 on one funding item.

The first funding item for GTE North, Inc. referenced, 470 #366010000162593. It should have referenced, 470 #502350000129691.

The SLD Administrator, in their denial letter, stated "Services requested on the Form 471 that you filed for funding year two (July 1, 1999 - June 30, 2000) were not posted to the SLD Web site for 28 days because you checked item 10 on the Form 470 that you referenced on your Form 471 (470 USCN: 36010000162593)."

List ABCDE _____

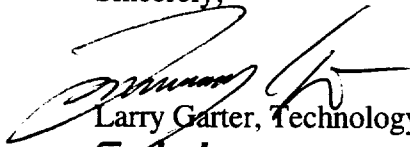

Neither of the 470s I mentioned earlier had Item 10 checked. The only error was listing the wrong 470 in Item 1 of Block 5 of the 471.

The listing was posted for the correct 28 day period on a different 470, as indicated, and funding should not be denied based on this one error.

Clerical errors happen, as indicated by the incorrect 470 number listed in the quote from the SLD administrator.

I don't believe the FCC should allow the school to be penalized for this small mistake. I implore you to review this appeal and reinstate the funding requested on a totally appropriate service for the school.

Sincerely,

Larry Garter, Technology Consultant

I am writing this appeal letter on the decision not to fund the request #0000205342.

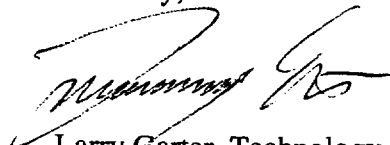

The decision states the request was not on the 470. This particular request was for frame relay connections for the existing Internet connections at both buildings. This existing service was provided by the Internet provider "Freeway Inc." and included both the Internet access fee and the frame relay circuits provide by GTE. In reading the mailings from the SLD is assumed you would rather see these items separated and have requested GTE billings be sent directly to the school for payment, instead of being stepped through Freeway. The frame relay connections were shown on 470 # 502350000129691 instead of the or indicated on the 471.

I reiterate this is an existing service that is tariffed and only available in our area from one provider, that being GTE. I believe the funding request should be reinstated since all criteria has been met and only clerical issues defeated this request.

If you have any additional questions, please call me, Larry Garter, 4589 Westridge Drive, Williamsburg, MI 49690 - 231-938-8324. I am the technology consultant working with the school in helping them prepare these funding requests.

Attached is a copy of the funding request denial in question and a copy of the 470 indicated in the text of this message.

Sincerely,

Larry Garter, Technology Consultant

FCC MAIL ROOM

Denial Reason:

- Services requested on the Form 471 that you filed for funding year two (July 1, 1999-June 30, 2000) were not posted to the SLD Web site for 28 days because you checked item 10 on the Form 470 that you referenced on your Form 471 (470 USCN: 36010000162593). FCC Competitive Bidding Requirements for this program require that services **MUST** be posted to the Administrator's Web site on a Form 470 for 28 days before selecting a vendor, entering into a contract, signing and submitting a Form 471.

If you feel further examination of your application is in order, you may file an appeal with the Federal Communications Commission, Office of the Secretary, 445 12TH Street, SW, Room TW-A325, Washington, DC 20554. Before preparing and submitting your appeal, please be sure to review the FCC rules concerning the filing of an appeal of an Administrator's Decision, which are posted to the SLD Web Site at <www.sl.universalservice.org>. You must file your appeal

with the FCC no later than 30 days from the date of the issuance of this letter, in order for your appeal to be timely filed.

You should now move ahead, if you haven't already done so, with your Form 486 and related post-commitment arrangements for services for which funds have been committed and services have begun to flow. We thank you for your continued support, patience, and cooperation during the appeal process.

Re: Form 471 Application Number: 136699
Funding Year: 07/01/1999 - 06/30/2000
Billed Entity Number: 131682

Thank you for your 1999-2000 E-rate application and for any assistance you provided throughout our review. We have completed processing of your Form 471. This letter is to advise you of our decisions.

FUNDING COMMITMENT REPORT

From your Form 471, we reviewed row-by-row discount requests in Items 15 and 16. We assigned each row a Funding Request Number (FRN). On the pages following this letter, we have provided a Funding Commitment Report for each FRN in your application.

Attached to this letter you will find a guide that defines each line of the Funding Commitment Report and a complete list of FRNs from your application. The SLD is also sending this information to your service provider(s) so arrangements can be made to begin implementing your E-rate discount(s). We would encourage you to contact your service providers to let them know your plans regarding these services.

FOR QUESTIONS

If you have questions regarding our decisions on your E-rate application, please notify us in writing. Your questions should be sent to: Questions, Schools and Libraries Division, Universal Service Administrative Company, Box 125 - Correspondence Unit, 100 South Jefferson Road, Whippany, NJ 07981.

FOR APPEALS

If you wish to appeal to the SLD, your appeal must be made in writing and received by us within 30 days of issuance of this letter as indicated by its postmark. In your letter of appeal, please include: correct contact information for the appellant, information on the Funding Commitment Decision you are appealing and the specific Funding Request Number in question, and an original authorized signature. Appeals sent by fax, e-mail or phone call cannot be processed. Please mail your appeal to: Letter of Appeal, Schools and Libraries Division, Box 125 - Correspondence Unit, 100 South Jefferson Road, Whippany, NJ 07981. You may also call our Client Service Bureau at 888-203-8100. While we encourage you to resolve your appeal with the SLD first, you have the option of filing an appeal directly with the Federal Communications Commission (FCC): FCC, Office of the Secretary, 445 12th Street SW, Room TW-A 325, Washington, D.C. 20554.

NEXT STEPS

Once you have reviewed this letter and have determined that some or all of your requests have been funded, your next step is to complete and submit the enclosed FCC Form 486. This Form notifies the SLD that you are currently receiving or have begun receiving services approved for discounts and provides certified indication that your technology plan(s) has been approved. As you complete your Form 486, you should also contact your service provider to verify they have received notice from the SLD of your commitments. After the SLD processes your Form 486, we can begin processing invoices from your service provider(s) so they can be reimbursed for discounted services they have provided you. For further detailed information on next steps, please review all enclosures.

POST-COMMITMENT REMINDER

We would like to remind you that all approved applicants are subject to post-funding commitment audits and other reviews by the SLD to assure that the discounts are being used in compliance with the program rules. Any applicant that is found to have violated program rules will be subject to enforcement activities and other means of recourse by the SLD and other appropriate Federal, State and local authorities.

We look forward to continuing our work with you on connecting our schools and libraries together through communications.

Sincerely,
Kate L. Moore
President, Schools and Libraries Division, USAC
